Millside Spencer- Behaviour Policy

Aim

At Millside Spencer Academy, we aim to create a safe and happy environment where exemplary behaviour enables all to feel secure and respected within an atmosphere of learning without limits. Everyone in our school is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same. We recognise that each individual child is at a different stage of social learning. Only through a consistent approach to supporting their behaviour will we be able to achieve an environment in which children can learn and develop as caring and responsible people. This policy outlines the underlying philosophy, purpose, nature, organisation and management of pupil behaviour at Millside Spencer Academy. It is a working document designed to enhance the development of positive relationships between children, adults working in school, parents and other members of the wider school community. The fair and consistent implementation of our Behaviour Policy is everyone's responsibility.

Core Beliefs

- At Millside Spencer Academy we know our children, their personal circumstances and foster positive relationships between all staff and pupils: this is the basis for all interactions designed to promote positive behaviour.
- We understand that negative behaviour can often be a manifestation of external or prior circumstances, and we respond to behaviour in a trauma informed manner based on our positive relationships with our pupils
- We acknowledge that an understanding of each child's needs and their individual circumstances helps us to act in the fairest way possible for that child, at that moment.
- We know that behaviour can change and every child can be successful.
- Positive, targeted praise is more likely to change behaviour than sanctions.
- Reinforcing good behaviour helps children feel good about themselves.
- We operate an effective reward system designed to celebrate success which helps to further increase children's self-esteem thus enabling them to achieve even more.

SHINE

Our SHINE values will be at the centre of everything we do. We want our children to embody these values in everything they do, both at school and beyond. SHINE stands for;

Successful
Happy
Independent
Nurturing
Enthusiastic

See our SHINE Curriculum Statement for more details.

Our school rules

Based on the work of Paul Dix and his book 'When the adults change, everything changes'. Good behaviour is recognised sincerely rather than just rewarded. Children are praised publicly and reminded in private.

Pupils at Millside Spencer follow our golden rules:

1. Be Ready
2. Be Respectful
3. Be Safe

The Millside Way

The Millside Way is a set of clear visual instructions for children to follow during the school day. They set the expectations for times and routines such as assembly, lunchtime, carpet time etc. These are reinforced by all staff throughout the day with a strong focus on positive recognition for following the Millside Way.

An example of a Millside Way is shown below:

Trauma Informed Practice

As set out in our Core Beliefs, we acknowledge the importance of knowing our pupils and understanding their influences, both internal and external to school life. As a trauma informed school, we approach all opportunities to promote positive behaviour in a restorative manner and with an open mind to the underlying reasons for negative behaviour. Staff at Millside Spencer Academy apply their understanding of social and emotional development and learning within all approaches to behaviour.

Staff have a clear understanding of trauma informed practices, including the latest research in neuroscience, attachment theory, emotional coaching and child development, drawing on research into the role of creativity and play in developing emotional resilience. Behaviour is analysed and seen for what it often is - a manifestation of a greater need – and addressed in accordance of each need.

Regular CPD on trauma informed practices, our relationship-based, restorative approach and culture of curiosity – both curious of the roots for behaviour and how each colleague addresses behaviour – result

in an atmosphere where children feel safe to be vulnerable, to share their needs and concerns, and a positive learning environment for all.

Behaviour Expectations for pupils with Special Educational Needs or a Disability

At Millside Spencer Academy, we understand that pupils with an identified Special Educational Need or disability might require a personalised approach to managing their behaviour. We know that by understanding how to take a child-centred approach to the behaviour management of pupils with SEND, it enhances wellbeing and opportunities for teaching and learning for not only the identified child, but also for the rest of the class. As a school, we recognise the range of internal and environmental factors which might serve as triggers for challenging behaviour for pupils with SEND, and how these might be avoided. Where this is appropriate, a personalised Behaviour Plan (see Appendix 6) is completed for the child with a range of stakeholders and shared with appropriate school staff. This ensures that all staff understand how to prevent the escalation of challenging behaviour and also model self-regulation of emotions where appropriate.

Praise and Rewards

Meet and Greet

Staff will meet their class every day with a personal greeting, as this could have the greatest impact on their behaviour it will make them feel valued, important and they will know that you want to get to know them. The Principal will be outside at the beginning and end of every school day welcoming all families too.

Positive praise

We fully recognise and reward helpful and cooperative behaviour, good work and achievement. This also links to our SHINE values too.

Smile
The most common reward used is “the smile” to recognise that the child is making the right choices
Verbal – well done
Public recognition for correct behaviour choices and/or good work, usually linked to our school rules
Written feedback – in books
Comments made on super work
Sharing good work – public acknowledgement in class
Sharing an exceptional piece of work with the class and displaying a copy of it on the working wall
House Points
House points are used to recognise good choices and following the Millside Way
Phone call/Dojo message home
Parents are made aware of a particular success their child has had in school, either in their learning or behaviour

Rewards for behaviour that is above and beyond what is expected of all pupils

Marbles in a Jar/class reward

Children work together towards an agreed reward to ensure the whole class are recognised for good behaviour and learning attitudes. When the children achieve the agreed target the whole class receive a class treat decided by the class.

Weekly celebration assembly

These celebrate achievements both in school and outside of school and are held every Friday. This also links to our SHINE values.

Star of the Day:

In some classes the class teacher will nominate a child who has been consistently following the school rules or for an exceptional achievement during the day. The child will then receive an agreed privilege within the class (leading the line etc).

Attendance:

The House with the highest attendance will be awarded a House Star in SHINE assembly.

Reward Stickers

Stickers can be awarded by teachers and support staff for exceptional effort. For outstanding achievements or efforts children will receive a Headteachers Award sticker from the Principal.

Celebrate success with parents

Informal comments at the end of the day, notes home or phone calls to reward exceptional work and achievement are made on a daily basis.

Principal's afternoon tea

At the end of each term, one child is selected from each class for **exceptional, consistently good** behaviour and invited to attend afternoon tea with the Principal.

The Millside Way for..... When I make the right choice

An adult will smile at me to show they are happy with my choice

Be Safe

An adult will say good things about my choices and congratulate me

An adult will write a comment in my book about something good I have done

Be Ready

I might be asked to go and share my success with another adult in school

Mrs Thorne might give me a special sticker

Be Respectful

My teacher might call my parents to share my success with them

Sanctions

If a child is not following the school rules we use the language of Choice and Consequence.

Pupils choose their behaviour and choices always bring consequences.

Sanctions should always:

- make it clear that unacceptable behaviour affects others and is a serious offence against the school community
- avoid being applied to a whole group for the activities of individuals
- be consistently applied by all staff to help to ensure that children and staff feel supported and secure at all times.

The following table shows the sanctions used at our school, starting with the most minor and growing in severity.

Strategies to be used as reminders: ‘The Look’ 1. Minimal eye contact and a surprised look given for routine misbehaviour. Praise others for making the appropriate choice 2. A reminder of expectations by identifying and praising a child doing the right thing – e.g. “Thank you... for putting your hand up”. Highlight choices 3. Verbal caution- remind the child of the ‘right thing’ to do. Adult support 4. Teacher / TA to support the pupil in their work if necessary.
Reminder 1- Remind the child of the school rules, explain how you would like them to change their behaviour and what you are expecting from them moving forward. Make a private note in the behaviour log that the child has received a warning and the reason why.
Reminder 2- Explain that you have already spoken about behaviour and this has not been resolved, so five minutes time back at the next break/lunch to discuss, as a consequence. The child is also informed of further consequences if this is not resolved when returning to the classroom. Make a private note in the behaviour log that the child has received a warning and the reason why.
Reminder 3- The child must attend reflection with a member of SLT at the next possible breaktime for 15minutes to reflect on behaviour and consider improvements that need to be made. Children in Year 2 and above will complete a Restorative Reflection Record.
If behaviour persists or is having an impact on the learning of others; 1. Time out in partner class; Sitting in another class (a member of SLT where possible), away from the other pupils but still with a focus on the teacher.
Informal contact with parent/carer To make them aware of a slip in behaviour through face to face or phone conversation with the class teacher at the end of the day. *Parents/Carers will always be informed if their child has been asked to leave the classroom due to poor behaviour at the end of that day.
Each day starts a fresh.

The Millside Way for.... When I make a poor choice

An adult will look disappointed at me

An adult will remind me of my choices and the right thing to do

An adult will remind me about the school rules and how I need to alter my behaviour

If an adult has to remind me again I will have 5 minutes time out with my teacher at break or lunch.

If my choices are having an impact on the learning of others I will have to go to another class for reflection time

If I need a further reminder I will attend reflection time with Mrs Thorne at break or lunch time and complete a reflection record

Be Safe

Be Ready

Be Respectful

Addressing persistently poor behaviour or serious incidents

Sent to SLT –

For serious incidents / persistent behaviour, child to be seen by a member of SLT who will decide on the appropriate next steps.

Use of behaviour contract. The child is placed on report.

Parents are involved in this process.

Exclusion – internal.

If the daily report card shows that behaviour has not improved, then the pupil will be excluded in school for a period of time. This will be in the school reflection room. This will be at the discretion of the Principal.

External agency support- Parents/carers will meet with the Principal to discuss alternative educational settings, so that permanent exclusions can be avoided.

Exclusion – external - Formal disciplinary procedure involving Trustees, CEO and LA

*Alternative arrangements for sanctions can be considered on a case-by-case basis for any child where the school believes an alternative arrangement would be more effective for that particular child, based on their knowledge of that child's personal circumstances. When doing so, the school carefully considers the need for consistency and perceived fairness for all.

*As noted above under the heading **Behaviour Expectations for pupils with Special Educational Needs or a Disability**, at times, individual children might need to have a personalised Behaviour Plan. This would supersede the above sanctions and is listed under the section **Support after an incident**, on the plan.

Reflection:

Lunchtime seclusions will take place in the Principal's office. Children will have their name and reason for attending recorded in the Behaviour Log. Every child sent for reflection will need to explain to the member of staff on duty why they are there and what they are going to do differently to improve their behaviour in future.

Class teachers will send the children with work to complete during this time. Staff will engage in minimum conversation with the child or other staff members to ensure reflection is a time for thinking for the children. During lunchtime, children can be sent to reflection. However, a member of staff must accompany the child to report the issues arising outside to the member of staff in reflection, who will deal with matter accordingly.

At the end of each week, class teachers will complete the weekly behaviour log. The SLT will then collate and analyse the number of reminders and seclusions happening on a weekly basis and act on this accordingly.

Being Fair

All children deserve a chance to explain themselves; it is the adults' responsibility to allow time for this as close to the incident as possible to make sure it is dealt with fairly. If it is not possible to talk to the child straight away the child should have chance to record what happened either through pictures or writing it down. We understand that a common and consistent use of language around behaviour is essential in creating clear boundaries for learning how to behave. Adults should remain professional and calm at all times. Most conversations around behaviour would normally be conducted, in the first instance, by the class teacher. Incidents are then logged on CPOMS at the staff member's discretion

As previously stated **consistency** across the school is of the upmost importance. Every member of staff must ensure that they have **high expectations** of the pupils and take a **collective responsibility both in class and around the school**.

We expect an apology from the pupil that is sincere and shows that the child has reflected on their behaviour whenever the school rules are broken.

Recording Behaviour Incidents

The majority of the time behaviour is managed through the use of positive praise. Where a sanction is applied this should be logged on CPOMs if the child has:

- had time in a partner class
- had reflection time with a member of SLT
- assaulted another child
- damaged school property
- been sent to speak to a member of SLT

It is the responsibility of the staff member who has experienced or initially dealt with the behaviour to log this to then be followed up and actioned by SLT.

Managing behaviour incidents outside of school/online

There may be incidents that happen outside of the school/online, that could impact on the behaviour of the child/children involved within the school. Such incidents will always be thoroughly investigated by school staff before any sanctions are set. Parents/Carers will also be informed at the earliest opportunity of any incidents that have occurred and how the school will be responding to it. The sanctions listed above will be imposed in the following circumstances:

Off-site misbehaviour

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school
- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Online misbehaviour

- Poses a threat or causes harm to another pupil
- Could have repercussions for the orderly running of the school
- Adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Procedures for Persistent Offenders and Isolated Incidents

Children who have regular exclusions or who are in danger of being excluded require specific attention and strategies if the consequences and sanctions fail.

In the first stages staff should follow the Behaviour Policy. After monitoring for a week, discussions should take place with the parents to identify any reasons for the behaviour. If unacceptable behaviour continues following discussions with parents the teacher should speak to a member of SLT to decide if the child should be put on report or, if the issue is related to another matter; appropriate action needs to be taken.

In most cases the child will be put on a Behaviour Plan, whereby targets are chosen specific to the child and monitored. If necessary a Risk Assessment is completed using the template in the appendices below. These are completed with the parent and child where appropriate and shared with relevant to ensure that a consistent approach is followed.

For serious incidents support and advice should be sought from a member of SLT. If in extreme cases exclusion becomes necessary, the school will follow the process laid down by the Department for Education.

Exclusion

If in the opinion of the principal, the child's misbehaviour is serious enough, then the child may receive a fixed term exclusion. The procedures that should be carried out should follow government and local authority procedures.

If the fixed term exclusion constitutes more than 5 continuous school days (not including weekends or school holidays) then the school must arrange for full time education at an alternative setting for the remaining days of the fixed term exclusion. On returning to the school, the principal (or a member of SLT in their absence) should ensure that a reintegration meeting takes place with the child's parents/guardians and the child. A permanent exclusion will only be sought in the most severe of cases. This again must be in line with the procedure set out by the Local Authority.

The principal should ensure that a record is kept of their actions and that of those of other staff with regard to any exclusions. It is also the responsibility of the principal to inform the Local Authority immediately of any exclusion. The board of trustees will be informed on a termly basis regarding exclusions. They will also be informed about exclusions which would result in the pupil being excluded for more than five days (or more than ten lunchtimes) within a term; as well as permanent exclusions.

Procedures that are to be followed for fixed term/permanent exclusion are detailed on the Local Authority's web site. Additional guidance can be found on DfE website www.gov.uk.

Physical restraint

Physical Intervention may be necessary in order to:

- prevent a pupil injuring themselves or others, (e.g. a fight between pupils, stopping a young person from running towards traffic),
- prevent a pupil causing serious damage to property,
- prevent a pupil committing an offence (or for any pupil under the age of criminal responsibility, what would be considered an offence for an older person).

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendices below)

Further information on physical restraint can be found in the Physical Restraint Policy.

Child on Child Abuse

Millside Spencer Academy recognises that children are vulnerable to and capable of abusing other children. We take such abuse as seriously as abuse perpetrated by an adult. This includes verbal as well as physical abuse. Child-on-child abuse will not be tolerated or passed off as part of "banter" or "growing up".

We are committed to a whole school approach to ensure the prevention, early identification, and appropriate management of child-on-child abuse within our school and beyond. In cases where child-on-child abuse is identified, we will follow our child protection procedures, taking a contextual approach to support all children and young people who have been affected by the situation, including family members.

See MSA Policy and Guidance for Child-on-Child Abuse, Sexual Harassment & Sexual Violence

Racism

Definition of a racist incident

A racist incident occurs when people are abused because of their racial difference.

Incidents are investigated as potentially racist if the victim experiences it as racially motivated or others involved see it as such.

Racism is on a continuum that includes bullying and other personal abuse.

It is crucial therefore:

- For the victim to feel supported by the school
- For the perpetrator to be dealt with

Responding to racist incidents

Racist incidents are serious, however trivial they may seem in isolation. In personal terms they are extremely offensive.

- All incidents are dealt with sensitively
- The senior leadership team and safe guarding lead are responsible for dealing with racist incidents.
- All staff need to be confident to know what is expected of them and be given support in dealing with racist incidents.
- Time is needed to investigate an incident thoroughly, to ensure that justice is done and is seen to be done.
- Support needs to be given to victims.
- Perpetrators need to be counselled and dealt with appropriately and fairly.
- Staff, children, and parents need to be kept informed of progress and outcomes.

Data collection and monitoring

All racist incidents are logged on CPOMS. The log includes other kinds of personal abuse like bullying. This is then monitored by the safe guarding lead and shared with the the trust who collate this information and act on it accordingly.

At Millside Spencer we:

- Encourage children to talk about themselves positively and regard themselves as achievers.
- Provide additional support and security for children who need it before and after school
- Children's experiences and backgrounds are utilised in planning and gathering teaching materials.
- Children share in discussions dealing with racism in circle time activities.
- Provide explicit information for children (on what to do if they are victims of a racist incident)
- Develop positive relationships between staff and children in order to ensure the child can tell about their experiences and share incidents of abuse

Bullying

Rationale

Bullying is a deliberate act done to cause distress solely in order to give a feeling of power, status or other gratification to the bully. It can range from name calling, racist comments, teasing, threats and extortion through to physical assault on persons and/or their property, in or out of the school. Millside Spencer will not tolerate any form of bullying including that which is linked to racism, homophobia, gender, disability or social background.

Purposes

- Every student in our school has the right to enjoy learning and play, free from intimidation, both in the school and in the community.
- Our school does not tolerate any unkind actions or remarks, even if they were not intended to hurt. Bullying is dealt with seriously.
- Pupils should help each other by reporting all instances of bullying. Information is treated in confidence.

Procedure Reporting

Pupils should be encouraged to report bullying to any trusted adult. Children are taken seriously at all times. Any information is regarded as confidential, as far as possible.

Recording

Incidents of bullying are recorded on CPOMs.

Investigation

The situation is investigated and the outcome communicated to those involved, parents of bullies and victims will be involved and informed of the outcomes.

Staff action

Bullies should not be bullied.

Victims should be provided with a “safe refuge”

Bullies and victims may be counselled together.

All involved must see something is being done.

Incidents are recorded on CPOMs and dealt with by the senior leadership team or safeguarding lead where appropriate. Sanctions follow our behaviour policy.

Learning

There are frequent opportunities for children to discuss all forms of bullying in many curricular areas / PSHE / assemblies/ school council. Children learn about the different kinds of bullying – racist, homophobic and social networking / cyber-bullying.

Sexual Violence and Harassment

The school is opposed to any kind of incident of this type. When an incident of this type occurs, the school will:

- Record any disclosure and pass on to the DSL or Deputy immediately
- Where sexual violence has been disclosed this is a criminal event and **MUST** be reported to the police as such
- Parents/carers of the victim/alleged perpetrator should be informed (unless this would put the child at further risk)
- In the case of sexual violence - carry out an immediate risk and needs assessment
- In the case of sexual harassment – carry out a risk assessment on a case-by-case basis
- Engage with children’s social care and specialist services as required

Searching, Screening and Confiscation

The following advice is based upon the Department for Education document ‘Searching, screening and confiscation - Advice for Head Teachers, school staff and governing bodies’ January 2018

Searching

School staff can search a child for any item if the child agrees. (The ability to give consent may be influenced by the child’s age or other factors).

The principal and staff authorised by them, have a statutory power to search children or their possessions, without consent, where they have reasonable grounds for suspecting that the child may have a prohibited item.

Prohibited items are:

- knives or weapons
- alcohol
- illegal drugs
- stolen items
- tobacco and cigarette papers
- fireworks
- pornographic images
- any article that the member of staff reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the child).

The Principal and authorised staff can also search for any item banned by the school rules.

Confiscation

School staff can seize any prohibited item found as a result of a search. They can also seize any item, however found, which they consider harmful or detrimental to school discipline.

Searching with consent

School staff can search children with their consent for any item.

The school is not required to have formal written consent from the child for this sort of search – it is enough for the teacher to ask the pupil to turn out his or her pockets or if the teacher can look in the child's bag or locker and for the child to agree. If the child refuses, the teacher can apply an appropriate punishment.

Searching without consent

The member of staff conducting the search must be the same sex as the child being searched; and there must be a witness (also a staff member) and, if at all possible, they should be the same sex as the child being searched.

There is a limited exception to this rule. Staff can carry out a search of a child of the opposite sex and without a witness present, but only where they reasonably believe that there is a risk that serious harm will be caused to a person if you do not conduct the search immediately and where it is not reasonably practicable to summon another member of staff.

Pupil transition

At Millside Spencer Academy, we understand the importance of transition for children who are joining our school and also as they move to the next year group. The focus during transition sessions, is on behaviour expectations around school and also within the classroom. This is achieved through induction visits, PSHE lessons and assemblies. At the end of each year, children have transition sessions with their new teacher(s) and support staff where appropriate. In addition, staff members hold transition meetings. When children join the school in FS2, their new class teacher visits their current early years provider too. To ensure behaviour is continually monitored and the right support is in place, information related to a child's behaviour issues are transferred to relevant staff at the start of the term or year.

Staff training and induction

Our priority is to ensure that Millside Spencer Academy is a safe environment, in which all pupils can learn and reach their full potential. We believe that staff who are well supported and confident in understanding their roles and responsibilities with this will help us to achieve this successfully. For this reason, training and continued CPD is a high priority of the school. During the induction process, all staff have a session with the principal focusing on the behaviour policy and how they will help to implement this successfully. At the beginning of each academic year, all staff receive refresher and updates on the policy, where they will have opportunity to ask questions and discuss scenarios and how they would deal

with such situations should they arise, so that there is a consistent approach across the school. Additional training is planned as and when required throughout the year.

Verbal aggression

E.g. regular angry outbursts or shouting, swearing or being very argumentative.

IDENTIFICATION OF RISK	
What risks does this behaviour pose?	For example: • Causes distress and/or anxiety in pupils and/or staff • Could turn into physical aggression
Who is affected by the risk?	For example: • Other pupils • Staff • Wider school community

ASSESSMENT OF RISK	
In which situations does the risk usually occur?	Describe any triggers that you know of, e.g.: • Being asked to do something by a member of staff • Being told 'no' • Working with a particular pupil/group of pupils
How likely is the risk to arise?	Consider any past incidents to help with this. For example, if the pupil has exhibited verbal aggression on many occasions when being asked to do something by a member of staff, presume that the risk is likely to arise.
If the risk arises, who is likely to be injured or hurt?	For example, if verbal aggression has the potential to turn into physical aggression, it could be: • Pupils in close proximity • The class teacher • Staff on lunchtime supervision duties
What kinds of injuries or harm are likely to occur?	For example: • Physical injuries, such as bruises or cuts, if the verbal aggression turns into physical aggression • Non-physical harm, such as anxiety and distress
How serious are the adverse outcomes?	Would those affected require medical attention or counselling? How long-lasting would the impact be?

RISK REDUCTION			
TYPE OF ACTION	OPTIONS	BENEFITS	DRAWBACKS

ASSESSMENT OF RISK

Proactive interventions to prevent risk, i.e. before the pupil displays challenging behaviour	For example: • Being aware of the triggers • Setting clear boundaries for what is acceptable and what isn't	For example: • The measure is easy to implement – the class teacher can avoid grouping the pupil with pupils X, Y and Z which triggers the risk • The measure is set out in the pupil's behaviour plan	For example: • The measure is only easy to implement for staff who are in regular contact with the pupil – it may not be possible for all staff members (including supply staff) to be aware of the triggers • The pupil does not respond well to the boundaries set
Early interventions to prevent risk, i.e. at the first sign that the challenging behaviour could take place	For example: • Time out for the pupil in a safe, calm area • Moving the pupil to a quiet area in the classroom	For example: • The change of scenery may help the pupil calm down • There's no need for the pupil to leave the classroom and they can rejoin the lesson when they have calmed down	For example: • If the time out area is outside of the classroom, there would need to be a member of staff to supervise • It may be difficult to find space for a quiet area in the classroom
Reactive interventions to manage risk, i.e. where the pupil is already displaying the challenging behaviour	For example: • Removing the pupil from class to calm down • Withdrawal of attention or the use of a distractor	For example: • Prevents other pupils from being in close proximity • Can be an effective way to step in without using reasonable force or physical restraint	For example: • Requires a safe space and a member of staff to be with the pupil • May not be effective with all pupils

Physical aggression

E.g. frequently hitting, biting or kicking others or hair pulling.

IDENTIFICATION OF RISK

What risks does this behaviour pose?	For example: • Causes injury or harm • Leads to anxiety in pupils and/or staff
Who is affected by the risk?	For example: • Other pupils • Members of staff • Wider school community

ASSESSMENT OF RISK

In which situations does the risk usually occur?	Describe any triggers that you know of, e.g.: • Being told 'no' • Disagreements with another pupil
How likely is the risk to arise?	Consider any past incidents to help with this. For example, if the pupil has exhibited physical aggression on many occasions when being told 'no', presume that the risk is likely to arise.
If the risk arises, who is likely to be injured or hurt?	For example: • Anyone triggering the behaviour – e.g. the class teacher who told the pupil 'no' • Pupils or staff in close proximity • The pupil them self
What kinds of injuries or harm are likely to occur?	For example: • Physical injuries, such as cuts, bruises or concussion • Non-physical harm, such as anxiety and distress
How serious are the adverse outcomes?	Would those affected require medical attention? How long-lasting would the impact be?

RISK REDUCTION

TYPE OF ACTION	OPTIONS	BENEFITS	DRAWBACKS
----------------	---------	----------	-----------

RISK REDUCTION

Proactive interventions to prevent risk, i.e. before the pupil displays challenging behaviour	For example: • Being aware of triggers • Setting clear boundaries for what is acceptable and what isn't	For example: • The measure is easy to implement – the class teacher can avoid grouping the pupil with pupils X, Y and Z which triggers the risk • The measure is set out in the pupil's behaviour plan	For example: • The measure is only easy to implement for staff who are in regular contact with the pupil – it may not be possible for all staff members (including supply staff) to be aware of the triggers • The pupil may not respond well to the boundaries set
Early interventions to prevent risk, i.e. at the first sign that the challenging behaviour could take place	For example: • Removing the pupil from class to calm down	For example: • Prevents other pupils from being in close proximity	For example: • May require the use of reasonable force which poses a risk to the member of staff carrying out the reasonable force
Reactive interventions to manage risk, i.e. where the pupil is already displaying the challenging behaviour	For example: • Reasonable force or physical restraint where necessary	For example: • May be the only option to step in and keep other pupils and/or staff safe	For example: • Poses a risk to the pupil or member of staff

Destructiveness

E.g. deliberately damaging school property or the property of pupils and/or staff.

IDENTIFICATION OF RISK

What risks does this behaviour pose?	For example: • High-value property (e.g. IT equipment) is damaged • Causes distress for pupils and/or staff • Causes harm or injury to pupils and/or staff in close proximity • Pupil may injure or harm themselves (e.g. if they smash a window they may injure themselves)
Who is affected by the risk?	For example: • Other pupils • The pupil themselves • Staff members • Wider school community - for example, the parents of the pupil whose property has been damaged

ASSESSMENT OF RISK

In which situations does the risk usually occur?	Describe any triggers that you know of, e.g. in retaliation to being told off.
How likely is the risk to arise?	Consider any past incidents to help with this. For example, if the pupil has been destructive on many occasions when being told 'no', presume that the risk is likely to arise.
If the risk arises, who is likely to be injured or hurt?	For example: • Pupils or staff in close proximity • The pupil themselves
What kinds of injuries or harm are likely to occur?	For example: • Physical injuries, such as cuts, bruises or concussion • Non-physical harm, such as anxiety and distress

Dear

I am writing to inform you of my decision to exclude ____ for a fixed period of one (__) day. This means that ____ will not be allowed in the academy for this period. The exclusion begins on ____ and ends on _____. I realise that this exclusion may well be upsetting for you and your family, but the decision to exclude ____ has not been taken lightly. _____ has been excluded for this fixed period because _____.

You have a duty to ensure that your child is not present in a public place in school hours during this exclusion on ____ date ____ unless there is reasonable justification for this. I must warn you that you may be prosecuted or receive a penalty notice from the Local Authority if your child is present in a public place during school hours on the specified dates. If so, it will be for you to show reasonable justification.

We will set work for _____ to be completed on the days specified in the previous paragraph. Please ensure that work set by the school is completed and returned to us promptly for marking.

You have the right to make written representations about this decision to the Board of Trustees. If you wish to make representations please contact Paul West, CEO The Spencer Trust, Arthur Mee Road, Stapleford, Nottingham, NG9 7EW- email – info@sattrust.com as soon as possible. Whilst the Board of Trustees has no power to direct reinstatement, they must consider any representations you make and may place a copy of their findings on your child's school record.

Excluded pupils should be enabled and encouraged to participate at all stages of the exclusion process, taking in to account their age and understanding. You should also be aware that if you think the exclusion relates to a disability your child has, and you think disability discrimination has occurred, you have the right to make a claim to the First-tier Tribunal <http://www.justice.gov.uk/tribunals/send/appeals>.

You and ____ are requested to attend a reintegration interview with _____ (Principal) on ____ date and time _____. The purpose of the reintegration interview is to discuss how best your child's return to the academy can be managed.

You also have the right to see a copy of ____ school record. Due to confidentiality restrictions, you will need to notify me in writing if you wish to be supplied with a copy of ____ school record. I will be happy to supply you with a copy if you request it.
